

Toys

Summer Term 1

Squirrel Class

English

We will write character and setting descriptions. During the term, we will also write explanation texts.

Handwriting will continue to be a focus.

Music

This term all our learning will be focused around one song; Your Imagination. We will listen and appraise before moving onto performing the song.

Maths

EYFS- Will explore 3D shapes before moving onto '20 and beyond'.

Year 1 & 2- Will begin the term exploring money before moving onto a unit on fractions.

Computing

This term we will focus on digital writing. We will use a computer to create and manipulate text. We will use the keyboard and mouse to enter and remove text.

Science

During Science, we will explore materials. We will observe everyday materials and their physical properties. We will undertake experiments to see how materials can be changed and manipulated.

RE

Years 1 and 2 will consider the question: Who do Christians say made the world?

In Reception we will think about places that are special to people of different faiths.

PE

Mon: Master and become more confident with basic movements including running, jumping, throwing and catching.

Thur: Develop balance, agility and co-ordination and begin to apply these in a range of activities.

Art

We will be making birds this term. We will look at the relationship between drawing and making.

Design & Technology

We will be making puppets. We will learn how to join fabrics together, design and make our puppets to match our design brief.

RHE

Our focus is physical health and fitness. We will also delve into healthy eating.

History

We will research how toys have changed over time using different sources. We will look at how some old toys are the same and some are different compared with today.
