

Art

Explore and Draw- An introduction to the idea that artists can be collectors & explorers. We will develop our drawing and composition skills.

English

During English we will look at the Author Julia Donaldson, thinking about different stories by the same author. We will also explore recounts.

Computing

We will be learning about computing systems and networks focusing on information technology around us.

RE

We will delve deep into the following questions:

What is it like to be brought up in a Christian home in the UK today?

Travel Through Time

Autumn Term 1

Squirrel Class

Maths

EYFS- Will focus on matching, sorting and comparing.

Year 1 & 2- Will begin the term focusing on place value (within 20) before moving onto addition and subtraction.

PE

Monday- Master and become more confident with basic movements including running, jumping, throwing and catching.

Thursday- Yoga (YR and 1). Swimming at Stratford Park (year 2)

Music

Hands, Feet, Heart- We will listen and appraise, before performing and sharing.

Science

Children will distinguish between an object and the material from which it is made.

RHE

This term we will be learning about caring friendships and respecting one's self and others.

History

We will understand how to put people, events and objects in order of when they happened using a scale. We will use a timeline to place important events focusing on the changes of transport over time.

DT

We will learn about mechanisms by making a fairground wheel.
