

***Space Man!***

***Spring Term 1***

***Squirrel Class***

## ***Maths***

EYFS will be delving deep into the numbers 5, 6, 7 and 8. We will explore mass and capacity, before finishing the term off with a unit on length, height and time.

Year 1 & 2 will start the term off with addition and subtraction within 100 before moving onto multiplication and division. We will develop our fluency skills.

## ***RE***

We will explore the question: **Who is Jewish and how do they live?**

EYFS will also look at the following question: **Why is the word 'God' so important to Christians?**

## ***Computing***

We will explore early programming concepts. We will be introduced to the early stages of program design through the introduction of algorithms.

## ***English***

We will continue to develop our letter formation and handwriting. We will also be retelling adventure stories and writing instructions, linking it with our history topic.

## ***RHE***

This term, we will have a focus on Internet Safety. We will explore online relationships, how to keep ourselves safe and what to do if something doesn't feel right.

## ***PE***

Monday- Perform dance using learned movement patterns.

Thursday- Develop balance, agility and co-ordination and begin to apply these in a range of activities.

## ***Music***

We will be 'In the Groove' this term. We will explore different styles of music including Blues, Baroque, Latin, Bhangra, Folk and Funk.

## ***Science***

In science we will focus on materials. We will explore and identify a number of everyday materials and compare their suitability.

## ***Art***

This term we will be playful in our making. We will look at what the term 'sculpture' means and explore what we like about different sculptures.

## ***History***

During History, we will look back at a special historical event which took place in 1969. We will be introduced to an inspirational explorer- Neil Armstrong and we will look at evidence of why people from the past acted the way they did.
