

Where Do I Live?

Autumn 2

Squirrel Class

Music

This term we'll be exploring reggae and hip-hop music as well as getting busy practicing and performing songs for our Nativity!

English

During English we will be getting creative exploring poetry and writing our own poems. We will also be using our topic as a starting point to read and write informational texts and recounts.

Maths

EYFS - This term Early Years will be exploring shapes as well as focusing on a deep understanding of the numbers 1 to 5.

Year 1 - In Year 1 we will be deepening our understanding of shape and exploring place value up to 20.

Year 2 - Year 2 will focus on addition and subtraction strategies and shape.

Computing

This term we will be exploring digital painting! We'll use lines and shapes to make works of art we are proud of!

Science

As the weather cools and we get cosy in our woolly scarves and hats, we will be exploring seasonal changes in our science lessons.

RHE

This term we'll be thinking about friendships - how we can make good friendships, what makes a good friend and how to resolve conflicts within friendships. We'll also explore our own special and unique qualities.

Art

This term we'll be exploring printmaking and thinking about patterns, sequencing and symmetry.

Geography

Through our topic, Where Do I Live, we'll be exploring the local area as well as thinking about the characteristics of the UK. We'll learn about the countries that make up the UK and think about the wider world - including the continents and seas.

PE

We will continue to develop our skills running, jumping, throwing and catching. We will put these skills into practice during team games and learn simple attacking and defending skills.

RE

In this unit KS1 will consider what Christians think God is like whilst EYFS will consider why Christmas is important to Christians.

We'll also be preparing our school nativity!
