

Fire, Fire!

Autumn Term 1

Squirrel Class

English

During English we will focus on several different genres; reports, diary writing and newspaper reports.

Music

We will focus on Hip-Hop this term, learning to listen and appraise music.

Maths

EYFS- Will focus on matching, sorting and comparing.

Year 1- Will begin the term focusing on place value (within 10) before moving onto addition and subtraction.

Year 2 - will complete a unit on place value (within 100) and then move onto addition and subtraction.

Computing

We will look at technology and what it is. We will develop our mouse and keyboard skills as well as understanding how to use a computer responsibly.

Science

Our topic this term is about animals including humans. We will identify and name a variety of common animals.

We will also look at how animals, including humans have offspring.

RHE

This term we will be learning about families and people who care about us.

PE

Monday- Master and become more confident with basic movements including running, jumping, throwing and catching.

Thursday- Participate in team games, developing simple tactics for attacking and defending.

Art

Spirals will be our inspiration this term. We will use drawing, collage and mark-making to explore spirals.

Design & Technology

We will use a range of simple tools to cut, join and combine materials and components safely.

RE

What does it mean to belong to a faith community?

History

We will recount the events of The Great Fire of London and look at differences between things that happened in the past and the present.
