

Pupil Premium 2020-21 Proposed expenditure

Background The Pupil premium is allocated to children from low-income families who are currently known to be eligible for Free School Meals (FSM) in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months, and children of service personnel. In 2014 this also included pupils eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure).

Schools are free to spend the pupil premium as they see fit. However, we are held accountable for how we have used the additional funding to support pupils from low-income families. We are required to publish information about how we have used the premium. This will ensure that parents and others are made fully aware of the attainment of pupils covered by the premium and the extra support they receive.

Our School In 2021-22 financial year Eastcombe Primary School will receive an estimated total of **£10,760** Pupil Premium Funding plus a small carry forward taking the total to £12,073. This academic year 11% of our pupils meet the criteria. Our school aims that every child achieves their best from their own starting point.

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	63
Total number of pupils eligible for PPG	8
Amount of PPG received per pupil	£1345(full)
Total amount received	£10760
Identified barriers to learning:	Response:
<ul style="list-style-type: none"> - Equal opportunities accessing the wider curriculum - Approaches to learning, learning behaviours need to be developed. - Low self-esteem and resilience - Emotional wellbeing & sleep difficulties - Attendance - Engagement during lockdown 	<ul style="list-style-type: none"> Sports,Arts and extra -curricular activities participation Learning and behaviour interventions Collaborative Learning Digital Learning Small group tuition & catch up interventions Sleep interventions Wellbeing interventions

Area of spend	Contribution from Pupil Premium	Description of Intervention	Desired Impact	End of year impact statement.
